PROFESSIONAL SUMMARY

Computer Science and Engineering graduate with a strong foundation in HTML, CSS, JavaScript, and React.js, passionate about building responsive and user-friendly web applications. Hands-on experience developing academic and personal projects, including a smart traffic signal control system, a library management system, and a personal portfolio website. A quick learner with strong problem-solving, communication, and teamwork skills, currently expanding my knowledge of the MERN stack. Seeking an entry-level frontend or software development role where I can contribute, learn, and grow as a developer.

PROGRAMMING SKILLS

Web: JavaScript, HTML5, CSS3

Database: MySQL

Tools: Git, GitHub, VS Code, Vercel

Concepts: Data Structures & Algorithm, DBMS, Operating Systems, OOP Concepts, SDLC

SOFT SKILLS

Communication, Problem Solving, Interpersonal Skills, Teamwork, Leadership, Time Management, Quick Learner, Adaptability

PROJECTS

Personal Portfolio Website

2026

- Designed and developed a responsive personal portfolio website using HTML, CSS, and JavaScript.
- Showcased projects, skills, certifications, and contact information.
- Created a responsive and user-friendly portfolio with smooth scrolling and interactive animations.

Nexflow (Main Project)

2023 – 2024

- Developed an Automatic Traffic Signal Control System using Python and real-time traffic data.
- Reduced traffic congestion through smart signal management techniques.
- Improved transportation efficiency using sensors and adaptive traffic control.

A-Z Bookworld (Mini Project)

2022 – 2023

- Developed a Library Management System to automate library operations.
- Implemented book issuing, returning, and fine management features.
- Designed a user-friendly interface for efficient record management.

CERTIFICATIONS

- | | |
|---|---------|
| • Full Stack MERN Development - Masterclass NoviTech R&D | Ongoing |
| • Full Stack Development - Online Workshop Phoenix Software Solutions | 2026 |
| • Introduction to Software Engineering IBM with Coursera | 2025 |
| • Online Course on Front End Development Great Learning Academy | 2024 |
| • Full Stack Development - Internship PaceLab, Kochi | 2023 |

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Graduated - 2025

MES College of Engineering and Technology

Kunnukara, Kerala

Grade – 7.67 (First Class)

EXTRA-CURRICULAR ACTIVITIES

National Service Scheme – Volunteer

2018 – 2020, 2021 – 2023

Google Developer Student Club – Member

2023 – 2024
